## ⑦ How to Dispose of Bulk Garbage (Collected on an individual basis)

- Items with side length about 50cm or more
- There are some exceptions.
- Collection may take a few days depending on the congestion.
- You can carry it to a recycling center. (Details on back side)
- There are many people calling the wrong number. Be sure to dial the correct number when making your call.
- To reduce the amount of garbage, note that some items may be reused or recycled.

**(1) Requests**

**Request by telephone**  
 Bulk Garbage Reception Center  
**☎047-391-0007**  
 Reception Hours: 8:30 a.m. to 5:00 p.m.  
 Closed: Sundays, national holidays, substitute holidays, and from December 29 to January 3

**Request online**  
 Requests can be made 24 hrs. a day (except during maintenance)  
 \* In urgent cases, please call to make an appointment.

**(2) Purchase "Bulk garbage ticket"**

Purchase a "bulk garbage ticket" for 1,000 yen per each bulk garbage at nearby ticket-handling store

**(3) Affix "Bulk garbage ticket"**

Write your name or receipt number and the date of collection on the ticket, and affix it to the bulk garbage.

**(4) Dispose in front of the house on collection day**

Single unit house - In front of gate, garage facing a road, etc.  
 Apartment building - Close to entrance on the first floor, next to garbage collection site  
 \* Collection going inside a home or property is not possible.  
 \* Collection may not be possible in locations that are difficult for collection vehicles to access.  
 \* Dispose the items by 8:30 a.m.

**Bulk garbage examples**

## ⑧ How to dispose of PET plastic bottles

Please dispose of them in one of the two ways below

- Take them to a collection cooperative store  
 See the back side for the list of cooperating stores  
 ※ There are stores other than those listed on the list that have their own PET bottle collection boxes available
- Put out for neighborhood pickup (recycling activities)  
 Depending on where you live, there may or may not be a neighborhood group collection. Please check the Matsudo City website.  
 Please check the garbage collection points near your home to see if there is a special net for collecting PET bottles.

**(1) Peel off** **(2) Rinse** **(3) Crush**

\* Dispose of removed caps and labels as recyclable plastic items.

**Utilize the group collection (recycling activities)**

When putting out the paper, cans and bottles, and plastic bottles, actively participate in the recycling activities of local community groups (neighborhood association, residents' association, etc.).

Please confirm the collection items, dates and locations with each organization.

\* Also included under "さんあ〜る (3R)" app.

**Do not dispose of mobile batteries, electronic cigarettes, or other products with internal rechargeable batteries. They often cause fires/accidents at recycling plants. Dispose of products with internal rechargeable batteries as "hazardous garbage".**

**Do not put in products containing mobile batteries or small rechargeable batteries such as electronic cigarettes! Dispose of products with internal rechargeable batteries as "hazardous garbage".**

## Garbage the City Does Not Handle

### How to Dispose of Home Medical Waste

Waste generated during home medical care includes sharp objects such as injection needles, so these items **cannot be disposed of at the collection site**. To protect city residents and the collection staff from accidents, please consult your family doctor or your local pharmacy about the disposal of these items.

[Items that can be collected at shops, etc.]

- Insulin injection devices with needles, blood transfusion lines, and other tubing with needles, etc.
- Medical items purchased at a pharmacy or drugstore that have expired and are no longer needed
- Prescription medicine you have received at a pharmacy after being examined at a medical institution that you no longer need. (This includes medicine that is taken internally or applied externally.)

\* As for peritoneal dialysis nutrient bags and tubes without needles (less than 30 cm), as well as syringes without needles, dispose of home medical waste as "Non-recyclable plastic garbage"

### Items difficult to process

**Examples**

- Automotive parts (tires, batteries, etc.)
- Paint
- Pianos
- Tatami mats
- Agricultural chemicals and drugs
- Heat-resistant safes
- Fire extinguishers
- Propane gas cylinders
- Plaster boards
- Soil
- Compost
- Construction and demolition wastes, etc.
- Products containing CFCs, etc.

Waste oil

Either contact the retail outlet or dealer, or ask a specialized company to collect these.

## Garbage the City Does Not Collect

- One-time large amounts of garbage (moving, major housecleaning, pruning of trees, etc.)
- Garbage from offices, shops, town associations, etc.
- Garbage generated at events (local festivals, various classes, etc.)

You can either bring items to the municipal garbage processing facility yourself, following the rules for sorting and bringing items, or ask a general waste collection company to collect them.

Take the papers, clothes, bottles, and cans to a commercial garbage processing facility. (Refer to following "Garbage Processing Facilities")

[2025 Version] District allocation table **District B**

This is based on the address of the collection site. Be careful.

Check the garbage collection day of your community! Collection of the recyclable items will alternate, so check if your collection is District A or B. Affix onto the "How to separate/dispose household garbage" table.

**On your smartphone**  
 ● Receive push notifications for garbage collection days  
 ● Look up garbage types and disposal methods by item name, etc.
